Re: California Records Act Request Received September 20, 2019

Dear Ms. Epley:

This office serves as City Attorney for the City of Chico ("City"), and we write on the City's behalf in response to your California Public Records Act ("PRA") request received on September 20, 2019 seeking:

"...A screenshot or picture of the blocked persons list[s] as of 11:30 a.m. PST on Sept. 20, 2019 from any social media page (such as Facebook, Twitter, Instagram, etc.) that you personally administrate as a government actor or identify on as political figure. This includes the blocked persons lists for any social media page where you identify yourself by your political title, any page that you run as a political organization; as well as any page that you inform the public about your government work, solicit input on policy issues via comments or likes, or swath in the trappings of your office. I also ask that you please include a timestamp on any and all documents."

As of the date of this letter, it is the City's understanding that you have already received initial responses to your request directly from Councilmembers Scott Huber and Sean Morgan. Please find the outstanding records related to your request attached herein—namely those include:

- Alexandra Brown - Declaration Confirming Search for Public Records and Screenshot of Block List
- Sean Morgan – Declaration Confirming Search for Public Records
- Ann Schwab – Declaration Confirming Search for Public Records and Screenshot of Block List
- Karl Ory – Declaration Confirming Search for Public Records and Screenshot of Block List
- Kasey Reynolds – Declaration Confirming Search for Public Records
- Randall Stone – Screenshot of Block List

In addition, please note that the purpose of this letter is to respond to your follow-up PRA email dated October 8, 2019 where you requested:

“Additionally, I would appreciate it if you could steer me toward whomever is in charge of educating the council when they take office on social media policies, Brown Act violations and First Amendment rights of the public so that I have a knowledge of what they are typically trained in.”

The City would like to inform you that there are no records responsive to this October 8, 2019 PRA email request.

If you have any questions regarding this matter, please contact the undersigned.

Very truly yours,
ALVAREZ-GLASMAN & COLVIN
